“ My dear sweet friend, Linda, I wanted to tell you again how much I love you and cherish the awesome relationship we had. I also want to tell the family that you took care of me as much as I attempted to care for you. Can't wait to see you again and I'm so grateful that God answered our prayers and you could pass peacefully at your home. You will remain in my thoughts. I love you, Carlene

“ Our thoughts and prayers are with Jim and his family at this time. We met and knew Linda on a near daily basis in business and she was always so kind, considerate and helpful. We counted her as a friend and are very sad at this time. Michael, Rita, Sean, Kristi, Katee and Lukas Byfield

“ I worked with Lois at Pan American petroleum in Tulsa. In the late 1960s. My husband at that time worked for Shell with Jim Hess. I met Linda through Jim when I was going through a divorce, a very bad time in my life. She and Jim encouraged me and they were two I could call when I needed help. A couple years later Linda was at the Guest Book and Jim took pictures of my second wedding. They moved to Bartlesville and we moved to Houston, but you never forget your best friends. How did we get so old so very fast. I will be praying for you Jim and all the Family

“ Linda has been my sister in sorority for the past 15 plus years. Never have I met a kinder lady. She always had something nice to say about anyone she knew. Always had a smile and was famous for her chocolate chip cookies from the Party Quik. Never would give anyone the recipe, would just smile if you asked for it. Scamp! I love her will always love her.
