“ There are a million memories of you and I that I could share. The memories that I hold close to my heart the most was seeing you with my two oldest and your two precious babies Jacklynn and James! Being able to share them with you and you love them was the best moments I could have ever asked for! Also deciding to name my third child after you (Linnie Aszuree Coke) was the best decision I have ever made. I love you with all my heart and soul and will forever miss you! See you soon, I know your happy that you are now at peace and with my papa and your love!
