“ *So glad to have known Bro. Whistler. He was always friendly and always enjoyed being in church with him. Like so many others I really enjoyed his music. He came to my wife's home church when she was just a young girl. She remembered him coming to the fellowship meetings at the House Of Prayer and how that him and Bro. Ralph Cox spent a lot of time together. I saw him a few months back and we had a good visit. He was a good friend for many years. God Bless his family!*
