“Lola will be missed by all. I remember her always walking all over Skiatook. It was amazing how she got around walking to the store or to church or even to see her family. No wonder she lived to be 100 years old. We should learn from Lola and start walking more for our health and in remembrance for her. She was a wonder person and lived a good long life.

“I loved Lola so much. I was her neighbor for over 20 years and she treated me like family. She would bring over meals when my husband worked out of town. She was like a grandma to my daughter. She never forgot our birthdays and was always bringing over little things for us. I loved talking to her outside and going to garage sales together. I'm so sorry I didn't get to say goodbye.

“Lola was such a treasure. When I was little, she was my neighbor. As I grew up she was my friend.
