“ *Dear Norma,
How great it was to see you and Louis in Dr Sauder's office a few weeks ago, and then, sadly, to read of his passing a few days ago. You had a wonderful 54 years together - I am sorry it could not have been more. I pray that God will be your comfort as you face the time ahead.*

“ I will always remember Louis and his one piece jump suites that I told him he looked like a grease monkey cause that was what car mechanics would have on and from then on I always called him "Monkey". He will always be my monkey and I will never forget him he will always be in my heart and I now have a new guardian angel watching over me. He was on of the nicest person you could ever meet.

“ So sorry to hear of Louis's passing. Our condolences to Norma and the rest of the family. They were our neighbors for many years, near Cherryvale, and I still miss the honey Louis use to bring us for picking up their paper while they were out of town. Super nice people.
