“ *Marie was a remarkable woman and I have fond memories of her while working at FNBB many years ago. I'll always remember the time we visited her and Henry along with her sister Doris, & husband Wes at her Flint Creek home. It was a hot August day and she just insisted on fixing something for all of us to eat. She whipped up the best fried chicken dinner in her small, unairconditioned kitchen. It was a wonderful day.*

My deepest sympathy to Susie for all the years of caregiving and to all of Marie's family. God Bless you.
