“ *Michael I miss you and I love you - Aunt Rose 2022*

Rose Montgomery - September 10, 2022 at 05:30 AM

“An angel opened up the book of life and wrote down our Michael's birth.

Michael arrived with God's richness of love, compassion and commitment for others.

He was a joyful and curious baby. An outgoing sociable child whom others wanted to be around to share his wit and pleasant demeanor.

Mike doted on and was extremely proud of his big brothers Doug and John. He loved them conveying a new meaning to brotherly love.

As a handsome young man he became a magnet drawing others to him with his charm, ideas, and goodness.

In on sense Michael could be likened to Will Rogers. I don't believe Michael ever met a person he didn't like. I think because he genuinely wanted to learn something from everyone he met and show the kindness he felt deeply in his heart.

Then one day he met Amy. Amy changed Michael in many wonderfully good ways. He found a new kind of friend and confidant. They became soulmates.

As soulmates they blessed their bond in marriage. A commitment for life as friends, partners, lovers, and family.

Michael loved his precious Amy and children, Cheyann, Sam, and Ben more than any earthly need. Now he found another kind of deep love. Love for your children.

Michael's soulmate and children returned his special love in word and deed throughout his life.

A prayer for Michael.

Sweet Jesus, Body and Blood most Holy, be the delight and pleasure of my soul, my strength and salvation in all temptations, my joy and peace in every trial, my light and guide in every word and deed, and my final protector in death. Amen.

Then the angel returned and took Michael by the hand and led him to eternal peace.

“ I have great memories of all my Marshall cousins. Mainly the Marshall boys when we were younger. As you get older with your own families and live so far apart it's hard to get together but I always remember Michael being the same funny Michaelalways smiling! Once when we were much younger, we visited them in Oklahoma and I remember Aunt Donna had gotten a phone call while in the middle of baking a cake...she poured the batter in the pan, took the phone call, returned to put the cake in the oven and later when it was time to eat the cake she discovered the boys had put a hand full of silverware in the batter....it was hilarious! That's how I will remember Michael, a prankster and always up for some fun and a good laugh.....rest easy cuz...I love you and will miss you!

Bill and I were only able to visit a couple of times. The first was after Kelly was born and the 2nd after Adam was born. We had such great memories. I remember hearing stories from Donna of how the boys reacted with you being twins. Oh how memories become so precious.
