“ I have many wonderful memories of my Uncle Orvillee. As a young man, I followed him around everywhere. My being 8 years younger, he was always stuck taking care of me. I will never forget the fishing trips to rock hole and big hole. My first experience going raccoon hunting at night, running as fast as I could to keep up with him, and he would say, “just lie down on the ground and wait and listen for the sound of the dogs.” I will never forget those experiences and the great memories I have with my Uncle Auggie. My thoughts and prayers are with all of you as you celebrate the life of this wonderful man. Love you all.
