“ *Pat was a very good friend. She was always so passionate about her work for the Lord. She did so many things behind the scenes that people didn't realize. She was always willing to jump in and help out when needed. We had many trips to do errands together. She was so much fun to be with. We laughed a lot, even up to the time God took her home. My entire family loved her. She will be missed by all. Love to her family, whom she loved dearly. Jeannie Jones*

“ *Patty. A friend made in heaven. You will always be my friend. You were always there for me. If it wasn't for you, I would not be able to say, that I will see you again. You will be missed, I know your dancing on streets of gold. May your life here have touched as many people, with your generosity, love, and kind spirit. I love you Patty. Will see you again! ❤️*

“ *I'm so sorry for your loss and was surprised to hear of her passing. I remember running into her once while Christmas shopping at the mall there and she was so vibrant with her big warm smile and happy shining eyes. I remember her always to be smiling anytime I saw her.*

She was my grandmother Harriet Beans great niece making us cousins twice removed or so. We kept in touch with Christmas cards and letters and though I knew she wasn't healthy she never mentioned this particular issue..

With sympathy,
