“*Pam and Meg, I'm so sorry for the loss of your mother. I remember her as a kind and patient person who shared her home with a lot of us taking music lessons from your dad in Sedan. In learning to play an instrument, there were lots of bad notes and screechs, etc., so I wouldn't be surprised if she wore earplugs, especially when some of us came for a lesson. I last spoke with her at the reception following your dad's service last year in Bartlesville and she was as upbeat and gracious as ever. My thoughts and prayers are with you at this difficult time.
