“ I was sad to hear of the passing of Patti. Many prayers for her Family. I use to compete at alot of the same Barrel Races and Rodeos as Patti. I will miss joking around with her. She was a great Barrel Racer and will be missed by many friends. So long until we meet again one day!

“ I was heartbroken to hear of Patti's passing. I met Patti when I called about a barrel horse she had for sale on the internet. The horse ended up hurt but she called back and said she might have one that might work for me. I flew out from back east to Oklahoma didn't know her and her and Danny welcomed me with open arms. She had great stories she told, she made me laugh so hard and was just so good-hearted. I had a great time spending time with her. I actually went out two more times after that and had so much fun with her. She was a fun loving person. God now has another angel I know she will be looking down and cheering us all on when running barrels. Patti, I am so glad I meant you and I know you touched my life and many others.

“ *Patti had a heart of gold. I met her over 30 years ago at a barrel race. I liked her from the moment I met her. Her sparkling eyes lit up when she talked barrel racing, rodeos or anything to do with a horse. She truly loved it and her enthusiasm was so contagious. She was eager to help and always gave her honest opinion. I loved how she was courageous enough to speak her mind and you knew exactly where you stood with her. She never gave me bad advice and always had a great story to back it up ! I am thankful to have had her friendship for so long.*

Rest in peace my sweet friend you will be greatly missed by so many.

“ Patti was a barrel racing icon. I first met Patti at OJRAs. I remember her Grandpa standing in the alley way behind her horse to provide encouragement to enter the arena. Although, Patti would always tell you she was in charge. Patti used to tell me "Ride him like you stole him", I would crack up. I have more recordings of Patti's voice on video telling me to Whip or Kick. She was "one of a kind" and I will miss her greatly. My thoughts and prayers are with Dixie and Danny, may God bless you with strength, encouragement and love.

“ Patti was one of my first barrel racing friends when I started back 20+ years ago. I remember meeting her and Dixie at the Holiday circuit when they still did events in the Pavillon. Through the years we've had some great laughs. She always helped me and cheered me on! I can't believe I won't hear "kick Jolene kick!!" again. She has set me straight about horses and life more than I can tell ya. She was one of a kind and will be so missed. The world was just better with her in it. RIP my friend!
