“ *Mrs Baldrachi was like a second mother when I was in high-school. Donna was my "little sister" I so wish I could have been home when she passed to be able to see Donna again. I was traveling with my husband in California instead of home in Bartlesville. Mrs Baldrachi will be missed by so many, and I send my condolences to the family.*

“ Pearl was a good lady. She was pretty sharp playing cards. I bet she has a game going already! She loved her ice cream bars on Saturdays. She will be missed. Armand Villarreal
