

Gene Ray Taylor

March 30, 1974 - March 23, 2014

Gene Ray Taylor (1974-2014)

Obituary

Mr. Gene Ray Taylor, 39, resident of Wann Oklahoma lost his battle to cancer on Sunday afternoon, March 23, 2014, in the family home.

Funeral services will be held for Mr. Gene Ray Taylor at 2 P.M. on Friday, March 28, 2014 at the Wann Community Center.

A memorial has been established and those who wish to make a contribution in memory of Gene may do so to; American Cancer Society 4110 South 100th East Ave., Suite 100, Tulsa, Oklahoma 74146.

Gene Taylor was born in Fort Riley, Kansas on March 30, 1974 to John Taylor and Susan Hayden. Gene lived in numerous places before residing in Wann, Oklahoma in 1985 at the age of eleven where he attended Wann High School. Gene graduated with the Class of 1992 at Oklahoma Union High School in South Coffeyville, Oklahoma. Following high school Gene worked in the oilfield and also for Taylor Crane and Rigging. He was later employed as a welder and pipefitter in numerous states. All of these jobs provided opportunities for Gene to travel and see the U.S., which he loved to do. He was to sum up his employment at Zachery spending most of his time at Phillip 66 Research Center in Bartlesville, Oklahoma.

Even though he loved to travel Gene always came back to Wann to see his friends and family where he married Kristi Rizer on May 30, 1998. Gene lived life to the fullest spending time with his daughter Laray and other family

members and friends. He spent hours fishing and hunting anything and everything that he could. He was not happy unless he was outside doing something with family and friends. Anyone that knew Gene knew that he was as ornery as they came. He could out fish, out hunt, and out shoot anyone and did not mind telling you so. This all changed when he met his new found love Julie Jackson and he chose to give up the fishing championship title to her. There could not have been a better son, father and friend.

Gene is survived by his father, John Taylor and wife Judy of Iola, KS., his mother Susan Hayden and husband Richard, his daughter Laray Taylor of Nowata, OK., his half-sister Jessica Baker of Independence KS., and other family members and friends. Gene was preceded in death by his infant daughter Laura Taylor., Maternal Grandmother Eileen Gray, and Paternal Grandparents Clyde and Nadeen Taylor. Friends who wish may sign the online guest book and leave condolences at www.stumpff.org.

“ I am very sorry for your loss. It can be hard for friends and family to find the right words to say. Thankfully, we can echo the comforting words that we read in the Bible. At Revelation 21:4 it tells us that the God of all comfort will soon do away with all suffering, sickness, tears, and death. Daniel 12:2 tells us that God will even undo the effects of death at that time. Until then, may your loving memories of Gene bring you comfort during this difficult time. Your family has my sincerest condolences.

“ I had the privilege of meeting Gene 4 yrs ago when my husband Richard took me to wann for the first time. In that 4 years I learned that people from wann aren't just friends but family too they are always there for eachother and Gene was always willing to help whoever needed it. He always made me laugh so hard I cried. He always made me feel welcome I will never ever forget what a special person he was or what he ment to so many of us. He and my husband had been friends since Gene was 10 so I felt very special to meet him. Gene I will forever remember you wonderful smile and your laugh and we will all see you again someday. May you rest in peace with the angels. love you forever our friend.

“ It was the greatest pleasure to meet such a wonderful person, and wonderful family. I learned more in two weeks of being with Gene than I had in 32 years, he was in every since of the word courageous, his faith was strong, and his love for his daughter was simply undeniable, I was so lucky to meet his mother, Mr. Hayden, Julie, and his father, as well as his sweet daughter.

My prayers are with you all in this time.

“ To the Taylor and Hayden families.
God saw him getting tired, a cure not meant to be, so He wrapped His arms around him, and whispered, "Come with Me."
It's so hard to say goodbye to the ones we love. But remember them at their happiest, and let those memories comfort you and keep their spirit alive. You Have Our Deepest Sympathy

“ Gene, RIP brother. I remember the first time I met Gene....if I would have had my eyes closed I would have thought he was 7' and 450 lbs. From the jaw-clenching hand shake to the man-eating attitude he liked to give off. But he was a funny feller that I am sure touched many hearts in his short number of days on this earth. He will touch many more souls in heaven. Take care brother.....see you in Heaven.

“ I am so sorry for your loss
Do not stand at my grave and weep,
I am not there - I do not sleep.
I am the thousand winds that blow,
I am the diamond glints in snow,
I am the sunlight on ripened grain,
I am the gentle autumn rain.
As you awake with morning's hush
I am the swift-up-flinging rush
Of quiet birds in circling flight.
Do not stand at my grave and cry,
I am not there - I did not die.
No words can really soothe the loss of a loved one nor heal the hurt.
It does get better with Gods help and the support of your family and friends. David
