“My sincere condolences to Rod's family. I've known Rod most of my life starting when he was my principal at Hoover Elementary School. Rod and my father, Jim Stine, shared a love for their Model A's and T's. They often went to weekend swap meets and came home with a carload of old rust. After my dad's death, I couldn't figure out how to get his Model T into neutral to move it, so I called Rod and he told me what to do.

Rod was a kind and loving person who was always smiling. My thoughts and prayers are with you.

“My love goes to the family. Mr. Wilson was a man I respected greatly. He had the ability to scare you (Gwen's slumber parties) and making you feel comfortable at the same time. He had many hobbies he was passionate about and were exceeded only by his love for family. He was loved by his students and respected by all. Thank God for letting us have known him.

I hope wonderful memories help get you through this time of sorrow. God bless you.

“ *So sad to hear of Mr Wilson passing. He was such a nice and caring man. Enjoyed so very much the years when he was at Elgin School (teacher/principle) and especially the visits at the Elgin School Reunions. Memories that will live forever! Just great!*

“ *So sorry to hear Mr. Wilson passed away. He was the principal and upper grade teacher at Elgin Grade School in Elgin, Kansas for two years starting in the fall of 1953 when I started in the first grade. I didn't see him again until he started attending the Elgin School Reunions ten or so years ago. We so enjoyed seeing him. He remembered all of us and always had stories to tell about his years teaching there.*
