“ Uncle Roger was and will be remembered as one of the most influential people in my life. Not only did he impress me with his ability to still find humor in life after losing his leg (even using it for humor),but also his love for Bruce Springsteen music ,which he'd play everyday when picking us up or dropping us off at football or cheerleading practice, he'd get us blizzards afterwards. Uncle Roger gave us a chance to experience this. His consistency with compassion and regard always touched me.

“ Years ago, our family took a trip to Colorado. On the way up Pikes Peak our car broke down. Roger drove over 10 hours and hauled us around so our vacation wouldn't be ruined. He loved his family above all else. You wil be missed Roger.
