“ I was so very blessed to call Rosie my friend of 40 plus years. True to her name she always brightened up the day with a smile or the sound of her voice! This world was truly a kinder better place with her in it! She dearly loved the people in her life. Rosie had the biggest heart ever for such a tiny little lady. Her life was all about family and each and every one of them had their own special place in her heart. Through out the years as our family's grew up & we grew older we did an awful lot of Prayin & Just Sayin! Oh how I'm going to miss my Sister-In-Life !!! Our conversations always began with Hello my Dear Friend & ended with I Love You, ALWAYS ! I was blessed beyond measure for you being in my life, I will carry you with me until we meet again ! Fly high with the angels My Dear Friend, I Love You !!! Praying for Peace for the family in the days and nights too come.....Rosie told me many times this past year what a blessing her family was to her after the loss of Bill, she spoke of how the love and support helped her move through the difficult days, she truly felt the love of you all.

“ While Rosalie was my first cousin, she was actually more of an older sister to me; we spent a lot of time together growing up. She was my special confidant, such a gracious lady to whom I could always talk to about anything I might be having problems with. After my own Mother passed away, Rosalie and I stayed in touch on a regular basis and we shared many thoughts and stories; she always had my back during some of the tough times in my life. When I was deployed to Saudi Arabia, Kuwait and Iraq, I got a letter from her almost every week and that was so comforting to me, knowing she took the time to reach out to me. In later life, she always made a point of trying to take care of and comfort people the best way she knew how too. I will miss our regular bi-weekly conversations; I'm still deployed overseas, but we talked on a regular basis, she was truly an angel on this earth. May you rest in peace Rosalie, I love you and miss you, but I will always carry your memory in my heart.

“ Rosalie and I met in grade school at Horace Mann elementary and went all the way to graduation in 1966. She will be missed. A lovely, caring person.
