“ *I know that this is late, but Frankie Ogans, your last husband passed away the other day and Me and Daniel were reminiscing about the fun that you brought into his life. We talk about you everyday. You have never left our hearts. See you on the other side.*

“ *What to say---- I really don't remember not knowing Shari. We start school together in the first grade at Lincoln elementary. She kinda quiet unless we got her out on the playground. Then she found her voice when we played hopscotch. Shari you will be missed by your loved ones. My prayers go out to each and everyone of them. Rest in Peace My Friend. Until We Meet Again Later*
