“ Shirley was the *BEST* Mother that God could of ever chosen for Me. She became my best Friend as I knew Her days were numbered. We were very close. In the end She lived a very full live and no one was going to keep Her down. She enjoyed helping others. Two days before Her death she bought and took food to a group of 5 adults in need. She took Her elderly Sister in to live with Her and to help with Her care over the last two years I cannot say enough about all the things or deeds that She has done for others and for no return expectations. We were blessed with Her for 13 more years than the Doctors told us to expect Her to live. (Thank You Lord). She has quite a story and family story, and it will continue on. I will always love and remember... Mom.
