“ I miss my dad soooooo much and still just can't believe he is gone. My dad was my first love and the leader of this whole family. We depended on him for everything. He was such a good provider, hard worker, great man, he had a big heart and loved us all soooo much! He was always right and if you knew him then you knew that. He was funny and mispronounced so many words that even the serious conversations were funny! I love you dad and we will take good care of mom.💔 while we are so sad and hurting right now we will be okay in time. I only hope we made him as proud of us as we were of him.

“ I will miss his ornery self, always making jokes and giving me a hard time. Never failed, he always talked about my eyes and what color they were today...He loved my colored contacts! He was an amazing man...husband, father, brother, cousin and uncle. He is missed by so many. RIP uncle Steve 💙

“ Fishing at Copan. What a time we had. The trout lines and the time Steve and Karen brought their pontoon boat to Grand lake and the waves came over the boat. God help us all heal at this time. I miss him so much

“ My favorite memories was on our Thanksgiving feasts, Steve loved all the kids and grandkids packed into our home for the day. He loved the feast and laughing with all the kids and grandkids. We would make a day of it, feast, desert, then Dominoes and a drink until everyone was stuffed and tired. One of Steve greatest joys was having his grandkids joking with him. He liked to pick up their cell phones and take lots of selfies of himself. He thought he was very funny! He will be missed so much! We all love you so much, Rest In Peace until we meet again

Steve will be missed by our family so very much. He was a great cousin and friend. We loved those Christmas times when we were growing up and they would visit our home . Many good times and laughs. He was quite the prankster. Had a wonderful laugh and did not mind telling you how he felt about things. Karen we are praying for you and all the family. We love yall
