“ I worked with Susan and she became one of my dearest friends. She had such a kind and loving heart. Susan used to carry extra lunches to work every day because she didn't want anyone to go hungry. One time a new employee didn't get paid on time and was so scared. Susan gave her a lunch and then pulled out all the money she had and handed it to her. She didn't count it. She didn't ask that it be returned. She just gave it to her and then hugged her. It was incredible to see and feel what that act of love did for both of them. Susan and I shared our faith many times and I'm so happy to know that she's in heaven. My thoughts and prayers are with her family!
