

## Terry Joe Nading

February 26, 1974 - June 19, 2024

Terry Joe Nading was born February 26, 1974 in Killeen, Texas. He was a lifelong resident of Bartlesville, Oklahoma. On June 19 he passed away peacefully, at home and surrounded by his loved ones after a 15-month battle with cancer.

He was a dedicated employee of Oil Field Pipe & Supply for more than 30 years before becoming a Foreman at Heater Specialist & Supply for the last 4 years.

When Terry was younger, he enjoyed participating in and attending drag races in Tulsa and car shows all over Oklahoma. In 2012 after the restoration of Casey's 69 firebird he won 1st place in his class at Daryl Starbirds 48th Annual Exotic Car Show in Tulsa.

Terry's favorite past time was vehicle restoration, and he had a special love for the older models. He also loved to be on the water, boating, riding jet skis, fishing, hunting and anything outdoors.

He loved to take go to Lake Eufala on the beautiful weekends and any spare time he had to invite all his friends and family to a cookout! 4th of July was always his favorite holiday when he would smoke brisket and ribs and throw a huge celebration every year and welcome everyone to join in the fun.

During winter when it was too cold to be on the water Terry enjoyed playing on the PS4 and computer with all 4 of the boys.

Terry was fiercely independent, very stubborn, had a fiery personality, and always wanted things to be his way. He had a huge heart, was loyal, forgiving, and understanding.

He was a loving son, brother, uncle, cousin, and more importantly a loving father of 4 boys and an amazing husband. Terry loved his friends and family and even some friends that he considered family with all he had. He left his mark on everyone who knew him. Terry is very loved and will be missed dearly by all.

He is preceded in death by his mother.

He is survived by his four sons: Casey Nading (Emma), Dalton Nading, Taylor Nading, and Jesse Kerr Jr.; His loving wife and partner of 13 years Nancy Marie Nading and the mother of his three oldest sons Stacey Foresman as well as a host of friends and family.

“ Terry and I have been friends since I was 15 and he was 17. We were as close as family gets. Growing up we had such a love for cars and racing, but terry took that to another level and restored several old cars. He and I always stayed in touch and our children even got to grow up some together. He’s always been and always be a big part of my life and my children’s and grandchildren. My condolences go out to his wife and kids and close friends and family...
