

Theresa Ann Dunlap

September 15, 1945 - August 13, 2020

Theresa Ann Dunlap passed on to her Heavenly home on Thursday August 13 2020. A 75-year Bartlesville resident, she taught seventh and eighth grade science for 31 years. Twenty-nine (29) of those at Central Junior High School. An avid traveler she was able to see many parts of our country and of the globe. She consistently marveled at the beauty created by God. Many of the trips she took were associated with volunteer work with Bluestem Girl Scouts, Church mission trips and with Science Club. More than anything she would like to be remembered as a loving and loyal friend and hope those here will continuing their lives in a lovingly Christian manner.

She is survived by three nephews and their families. Mike & Paula Dunlap of Bartlesville, Tom and Janey Dunlap of Bartlesville and Jim and Pam Dunlap of Edmond, Oklahoma. She was preceded in death by her brother Kenneth Joe Dunlap in March, 2020, his wife, Levah 10 years ago and her parents Raymond and Lucile Dunlap many years ago. Private family services will be held.

“ I remember "Tree" Dunlap as my favorite counselor at Girl Scout "established camp" and the person who taught me some great camp songs, including the official song of Camp Wah-Sha-She.

“ I am so very saddened by the news of Theresa's passing. One thing I know, she was a beautiful soul and loved God! I have literally known her my whole life. We attended Sixth and Dewey Church of Christ where she was my teacher and camp counselor. She taught at Central when I attended there and was my coworker in the 90's when I worked at Central. I was blessed to know her mother, Lucille. I was honored to win the Lucille Dunlap Award at Osage Christian Camp for best camper one year. Theresa made me feel so great about myself and always treated me with Christian love and kindness. She would always do what she could to serve the Lord. I consider it a great loss to lose such a wonderful lady. Rest with Jesus and I pray we meet again my sister. Love you!❤️❤️

“ So sorry to hear of Theresa's passing. I am praying for her family. . She was always a bright spot in my day as my Science teacher at Central. I didn't like Science until she introduced me to it. She is a shining example of what a teacher can do to truly ignite the imagination of students. Rest in Peace Theresa. Mike Guillory

What a lovely light in the world Theresa was. She was kind, generous, funny, smart, loving, open-hearted and filled with joy. She was a long-time friend of my late mother, Jo Ellen Basler, and in Mom's last years when she didn't have a lot of company or get out much, Theresa would come by and take her to Sonic or out for a drive. She would come by on Friday evenings with chips and dip for a couple of hours of Scrabble or dominoes. She loved to show up with a bag of trinkets and toys from the dollar store, and she never failed to do something special for birthdays and holidays. I am grateful for the opportunity to have known her, and I will miss answering the phone to her, "Well, hello, kid, how have you been?"
