“ *JUST WANTED TO SAY TOM WAS ONE OF THE BEST PEOPLE I HAVE EVER HAD THE PLEASURE TO HAVE KNOWN. HE WAS OUR PASTOR FOR FOUR YEARS(CHRIST CHURCH) AND ALSO PART OF OUR FAMILY.WE MISS HIM VERY MUCH. WHEN I THINK OF HIM I REMEMBER HIS SMILE. HE WAS THE BEST! WE ARE ALL STILL A CHURCH FAMILY. HE LET US KNOW WHAT BEING A CHURCH FAMILY SHOULD BE LIKE AND WE WERE LUCKY ENOUGH TO HAVE THAT KIND OF CHURCH.PTL.*

“ Tom, from the time you came home from the hospital as a baby and spent your first night at our house you have been more like a little brother to me than a cousin. I have so many memories of family dinners, being rained out at camping trips, joining with you and Steve in pushing my sister Terri's buttons and then of the last decade after you and I reconnected here in Bartlesville. What a privilege and fun to share those years with my cousin. You are an awesome example of what a spirit filled follower of our Lord Jesus is. Enjoy your rest from labors here below. Be seeing you! Love, Kathy

“ Family of Tom Graham,
It is with tremendous sadness that I heard of Tom's passing. I knew him from our days at Ozark. We rejoice that he has just changed his address. Always liked Tom. A goood guy ... kind spirit , gentle smile. Talented, man of faith!

Please accept our deepest sympathy and regrets that we can not attend the funeral. Debi is in Dallas at Decorator Market for a week; I am tied to work tomorrow as we are leaving for a Lodging Industry HITEC Convention in Minneapolis on Monday.

I pray the fellowship of caring friends will be rich tomorrow. Hello, Steve!

Blessings!

“ Tom,
I will miss you so much! All the times you made me smile when I felt like crying instead; those are the times I will remember the most. I find myself asking "did you know that I loved you?" Yes... I told you the last time you called me that special time we couldn't get together and you made that wonderful call! All to me! "Did I thank you for the meals growing up, sharing your children with me or teaching me to sing?" I think so. I may not have said "Thank You", but every hug I gave you, every I love you and every smile came from my heart. You shared my biggest day with me when you had me vow to love my best friend for the rest of my life. You even gave Christian and Brad vows. It wouldn't have been the same without you! I look back on my life and most of my memories has you in it! I will miss your funny jokes and your understanding. Don't get too busy and forget to visit once in awhile... Til we meet again my dear friend... Melissa (Missy)

“ My dear Friend,
Had I ever told you how much I appreciated your strength and support when I was weak? Because of your constant questioning, you helped me become closer to Christ. When life dealt me a nasty deal, you were there to guide me through it. The time you bought that old painted piano for me to redo, just so that I would have something to do while my mind and brain healed. I loved those trips with the kids, cheerleading and church groups. Being your secretary was a journey I won't soon forget. The way you could minister to the people. God must be very happy with you because of all the people you brought to the church. Even though you moved so far away, you were still close and will miss your jokes and your little quips. I will miss YOU! You were always there for me, Earl, Melissa and Jason and we feel so much loss, but we are the better for having you in our lives. So until we meet again... and I know we will... you show those angels how to sing and you play that piano and fill the heavens with greater glory.
To Mary, Cindy, Nate, Neely and the rest of the family, we send our heartfelt sympathies.

“ We are so glad we saw Tom last October in Southern California and more recently in Chickasha, OK. Thanks to Jodi's brother, Bill Holly, we got to know Tom. We remember something said to us years ago. Death is not extinguishing the light, it is merely turning off the lamp because the dawn has come. Tom suffered here and woke up to perfect health. Heaven has a new pianist to accompany God's angelic choir. :-)

“What can I say that will do you justice? When I was a punk kid you were gentle, kind and yet firm enough to demand excellence from us.

You coached me up so I did not make a fool of myself in solo competition and allowed me to sing a song you wrote for my last performance at the Rialto.

Twenty-five years later I starting to grow up and am a pastor. May the lessons you taught without words of how to love the unloveable not be lost on me. I can't say I always deserved your best but I always got it. You will be missed my friend but I will see you again.

“What a wonderful, inspiring person Tom was. I loved singing in a quartet with him, and singing with Fremont Civic Choir when he was directing was a joy. I remember Tom on so many levels - as a family man, a pastor, a musician, a teacher, but mostly a friend. We'll miss you, Tom, and we're all better off for having known you.

“ *The musician whose music often moved us to the edge of heaven, now sits at the keyboard next to the throne. I see God smiling as Tommy plays his first note on that keyboard.*
