“ Marshal, I'm so sorry. Your mother was such a "Lady", always so proper.

She was always so good to me and I enjoyed having her as a friend. Her decorating skills were amazing!

I feel fortunate knowing her all these years.

God Bless.

“ I have so many wonderful memories of the whole Ruble family as we were growing up in Bartlesville. We love you all so much, and my heart breaks for you. All the camping, times at the lake (and the ponds), the fishing and exploring, and the adventures we had. Trixie was just the BEST. Hugs to you, sweet Marsha, I'll be thinking about you.

Love,

“*Trixie and Moe were our wonderful neighbors and friends of my parents while I was growing up in Bartlesville, Oklahoma. Mom and Trixie would go junkin and fishin. Trixie had a great laugh and glowing spirit. Although I haven't seen her in years I always will have sweet memories of her. Love to All the family.*”
