“ *I knew Virginia through her son Michael since the seventies. She played the piano and would sing at the Osage Indian baptist church. She was a very strong and wonderful woman. When I married Michael in 2000 she welcomed me with open arms and was like a mother to me since then . I love you and will miss you very much .*

“ My sympathies to Virginia's family. She and Lorita lived next door to me and my family in Delaware in the late '40's and '50's. I was so happy that she and Mr. Burton (our basketball coach at Delaware) found each other and married. Thoughts and prayers are with her family.
