

Virginia Louise Little

October 22, 1949 - July 18, 2024

Virginia Lousie Little (Edens) age 74, passed away peacefully July 18, 2024 in Bartlesville Oklahoma. She was born October 22, 1949 in Pryor Oklahoma to Jesse Wahkeen Edens and Hazel Virginia Edens (Couch).

She attended Highschool at College High in Bartlesville Oklahoma. She worked as a beautician for a short time, but then eventually moved on to work for Conoco Phillips in the HR Department, where she then retired.

On February 10, 1968 she married the loved of her life Steven Paul Little. The two were inseparable and loved to travel all over the world. Their most favorite places to travel were Europe and England.

Virginia loved life and loved traveling, but most of all she loved the little things in life. She loved oil painting, sewing, machine embroidery, and pottery making. She loved her job at Phillips where she received several awards for outstanding accomplishments and her close bond with her friends and cousins. It brings us peace knowing she is happy again in the streets of gold, traveling again with her long-time love Steven.

She is preceded in death by both her mother and father Jesse and Hazel Edens, and her husband Steven Paul Little.

Her memory lives on with her stepmother Jackie Edens and numerous cousins and friends.

A memorial service will be held at the Stumpff Funeral Home Chapel Tuesday
July 30, 2024 at 2:00PM.

“ I was shocked and very sorry to learn of my Aunt Virginia's passing. I spoke with her a couple of months ago, and she sounded like her usual charming self. We spoke for a very long time, sharing memories, trading stories, family photos via text, and promised to stay in better touch. Of course, she also spoke glowingly about my Uncle Steve. I loved the sound of her voice, and her sweet demeanor. I said I could listen to her talk for hours, and she said in her familiar tone, "Oh, Mark... I'm just an Okie." I will remember her as a friendly, sweet woman that was kind to me and a wonderful partner for my Uncle Steve. My condolences to those lucky to know her, she is already missed.

“ I worked with Virginia's husband Steve at ALLtra Corporation. I remember him telling me that Virginia would bake him cookies every night so he had warm cookies to eat each night. I thought he was joking but Virginia verified that she would indeed bake a few cookies every night for him. Such a loving wife. - Dottie Preston

I knew Virginia through work in HR. She and Sue Cole were quite a team. They really went above and beyond to help both employees and coworkers. So very sorry to hear that she passed. Prayers for her family.
