“ I love you grandma! I will always remember spending the nights at your house with grandpa Greenwood before he passed. I'll always remember waking up to the chickens clucking and you cooking me breakfast. You did a lot for me and I always feel your love to me. You are the reason I am such a huge Sooners fan and will always remember you taking me to my first OU football game. I love you with all my heart and soul and will remember all you did for me. Thank you for everything grandma, Taylor and I will always remember you and love you dearly! Until I see you again, rest in peace my sweet grandma!
