“ Wayne was a man that smiled from ear to ear and loved to tease and be a goof ball. I will truly miss our banter between each other and his laughter. I counted myself blessed to call him my friend. He may never had kids of his own but he loved his nieces and nephews as his own. They all loved him as much as loved them. We will be praying for you all and Steven Albert you were his best friend, nephew and world in his eyes. RIP Wayne, may God bring your family peace during this time.
