“ I enjoyed getting to know Winnie when she started working on our floor. She was always smiling & cheerful - & will be missed by many. We all enjoyed the desserts she'd bring & those Alabama firecrackers were so yummy. She was so proud of her children & grandchildren.

“ *My thoughts for Winnie's family. She was such a great person to know. I worked at COP in the records center and she would send cookies and home made crackers for us to munch on!! Such a fun person. She often spoke of grand kids and her love for them. May you rest easy now, Winnie.*

“ *What a woman she was. Enjoyed working with her so much. Always happy and doing things for others. Baking and making crackers and salsa for us. She struggled a lot with her crohns but never complained. Was so proud of her children and grandchildren. Always pictures all over her cube at work. So thankful for her.*

“ Our deepest sympathy to Winnie's family. I remember meeting them all when she first moved to Bartlesville and we all met to unload her truck. She was so excited to be here and start a new chapter in her life. She was a wonderful cook, baker and canned everything. We always enjoyed her goodies and canned goods. My dad (Wally Chamley) helped her with her house with the changes she wanted and she always had food!! We enjoyed our time with her. She will be missed by so many lives she touched from Minnesota to Oklahoma. Fly high my friend. I know you are up in heaven dancing with the stars.
